### Fiber-optic speeds. No hidden monthly fees

Sometimes “no” is a good answer. No hidden monthly fees. No extra charges for Wi-Fi. No annual commitment. Our 100% fiber-optic network delivers the speed you want with the predictable pricing you need.

### Fast uploads. Greater productivity

While other providers just focus on downloads, Frontier® FiberOptic Internet delivers upload speeds as fast as downloads for quick POS transactions, fast data backups and smooth videoconferencing.

### Safety-first Installation

Frontier Communications® follows appropriate safety procedures during installation, because the well-being of our customers and employees comes first.

Available now: Next-generation speed.

#### Gig Service by Frontier®

Featuring max speeds as fast as 940/880 Mbps.

## \$239.99/mo

for 24 months on new Internet service, plus taxes, governmental surcharges and one-time charge. Actual speeds may vary. Subject to availability.

#### TERMS AND CONDITIONS:

- \*Wi-Fi router included with a minimum one-year agreement. Other terms and conditions apply, including Frontier's Acceptable Use Policy and Network Management Policy, and are subject to change without notice.
- \*\*2-year price guarantee on monthly Frontier FiberOptic Internet service rate does not include taxes or governmental surcharges. Monthly price will increase after 24-month promotional period.
- Available in select areas only, additional monthly fee applies. Frontier's Gig Service is available in all Frontier fiber markets, but may not be available to every location depending on local network capacity or other technical details. While Frontier's Gig Service is delivered on our 100% fiber-to-the-location network, actual speeds may vary due to limitations in the customer's network at their location, devices in use, and/or Frontier's network traffic conditions. Actual speeds will range up to 940 Mbps (download) and 880 Mbps (upload) and may vary depending on usage of the network and multiple other factors, including the use of Wi-Fi.
- \$55.99 OFFER: Internet will be provisioned with maximum speeds as fast as 100 Mbps download/100 Mbps upload based on line requirements.
- \$95.99 OFFER: Internet will be provisioned with maximum speeds as fast as 500 Mbps download/500 Mbps upload based on line requirements.
- \$239.99 OFFER: Internet will be provisioned with maximum speeds as fast as 940 Mbps download/880 Mbps upload based on line requirements.
- ALL OFFERS: Offers for new business customers in select Frontier FiberOptic Internet areas. Must subscribe to new Frontier FiberOptic Internet for Business. Maximum service speed is not available to all locations and the maximum speed for service at your location may be lower than the maximum speed in this range. Service speed is not guaranteed and will depend on many factors, including the use of Wi-Fi. Service and promotion subject to availability. Frontier is following applicable CDC and state guidance regarding COVID-19. Frontier is using its best efforts in this regard. However, Frontier accepts no liability for illness related to installation or the provision of Frontier services. Frontier also reserves the right to delay, postpone or cancel installation for reasons related to COVID-19 and/or state or local rules, regulations or orders regarding COVID-19. Activation (\$95), taxes, governmental surcharges and other applicable charges extra, and subject to change during or after the promotional period. Other restrictions may apply. Frontier reserves the right to withdraw this offer at any time.
